Electronic signature
and multi-factor
authentication
guide

Getting Started

You can only sign documents if your file is complete and you have access to the Tax Forms page:

Step 1

When you access your Tax Forms page, you will see the form you need to sign with text “Review and sign”. You have to click on this text to proceed to the next step.

Step 2

Multi-factor authentication is required in order to place a signature on your form. You can activate MFA from the MFA menu on the top of your screen at any time, even before your file is complete:

Or you will be requested to activate MFA if you choose to sign the document electronically.

Enable Two-Factor Authentication

Keep unauthorized users out of your account by using both your password and your phone. Setup your two-factor authentication codes in 3 steps. You will only be asked to enter validation code when you try to login.

1. Download Google or MS Authenticator mobile app
